

Annex IV
Cooperation Agreement

The undersigned,

Main applicant	
Located in country	
Partner 1	
Located in country	
Partner 2	
Located in country	
Partner 3	
Located in country	
Partner 4	
Located in country	
Partner 5	
Located in country	

hereby agree that:

- all parties will cooperate with the implementation of
 which has been submitted in the European Partnership for Responsible Minerals (EPRM);
- all parties have read and accepted the main applicant's policy(ies) to prevent serious (sexual) misconduct and other serious forms of cross-border behaviour and will act accordingly;
- all parties make sure they have sufficient financial means and organisational capacity available to implement the project;
- the partners agree that the main applicant will act as applicant of the project;
- all parties commit themselves to the project objective, project activities, project results and required own contributions as described in the project proposal for the EPRM;
- all parties will comply with, and enable the main applicant to comply with the obligations towards the Minister as set out in the Administrative decision;
- the parties will cooperate intensively and maintain an open and clear communication structure. The parties will implement the project in good faith towards each other;
- the agreement becomes effective on

Signed and agreed in twofold (1 for Partnership, 1 for RVO.nl):
